

Film Review writing – Conclusion

The movie club in your school recently screened a film.

Here are two comments from other students who watched it with you.

The characters were real-to-life

The plot was too sentimental.

Write a review of the film for your school magazine giving your views.

The comments above may give you some ideas, and you can also use some ideas of your own.

Your review should be between 150 and 200 words long.

Helpful Plan

Introduction:

- *Start with a brief summarising of your points in one or two sentences.*
- *Conclude with restating your opinion in rephrased form.*

Task.1: Write the conclusion paragraphs in about 20 words:
